ark_Booth in a box - We design and ship a simple booth-in-a-box to your fair location. On the day of the fair, you put together your Student Fair booth from this low-cost single-use box - in less than 30-mins. You save both time and money.

Our Clients

At Arkinc-Design we are constantly engaged in developing new professional ways to deliver best in the industry. We use and follow such practices which will facilitate clients as well as us. Thus creating a win-win situation.

Some of the practices are,

- Online approval facility,
- Web server for data storage or transfer
- Web statistics support for your clients
- Updates about new features and facilities

Over the years, we have partnered with a lot of great clients, and we take pride in forging some long-term relationships. In the process, we have been privileged to produce some excellent creative and functional work for some truly outstanding clients.

Among the clients we have serviced, and those we continue to work with are:
